

Hi Friends, It's Geoffrey here!

We will have plenty of time for playdates together and I have lots of ideas of how we can have fun! To start, I have collected some of my all-time favourite toys and put them into special play packs that we can all enjoy! In fact, I'll be unboxing one of them with you this week on YouTube!

I have three special **'R' Stay-at-Home Play Packs** such as **"R" Family Fun Play Pack** for kids of all ages and includes a great combination of art, sensory, building and gaming experiences! For the kiddos 4+ we have the **"R" Big Imaginations Play Pack** where all imaginations can run wild with these crafts, building and sensory play activities and let's not forget **"R" Little Hands Play Pack** full of creative activities for our kids 1 – 4 years old!

Pick up your Play Pack exclusively online and we'll ship to you for free across Canada!

I know we're all facing challenging times together so let's do what we can to stay connected and engaged while school is out! Each week we'll feature new Play Packs with different price points because I know, we all have unique play needs!

We're also launching new free child and family play ideas on our social media channels with special guests like...ME! Stay tuned on our social channels for updates.

One last thing friends! We've made the tough decision to temporarily close our retail stores, effective March 18th until March 31st! Don't worry though, you can still shop online at [toysrus.ca](http://toysrus.ca) and [babiesrus.ca](http://babiesrus.ca) and get curbside pick-up at all our locations!
