

ICE CREAM CONE

It's a hot summer day and everyone's feeling like ice cream! Serve the biggest, most delicious scoop in this Ice Cream Cone printout.

Get Started

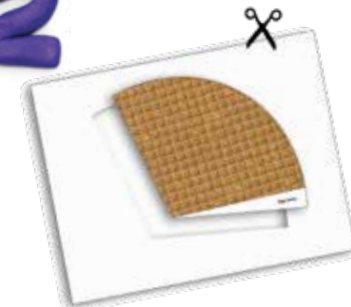

1. Follow the steps to make a waffle cone.
2. Print the Ice Cream template and paste onto cardboard for best results.
3. Ask your customer's their favourite ice cream flavour.
4. Grab your favourite PLAY-DOH colours.
5. Create the ice cream scoop and serve in the ice cream cone!

1

Using a colour printer, print the "waffle cone" pattern sheet onto 8.5"x11" paper.

2

Cut out "waffle cone" pattern along the solid lines.

3

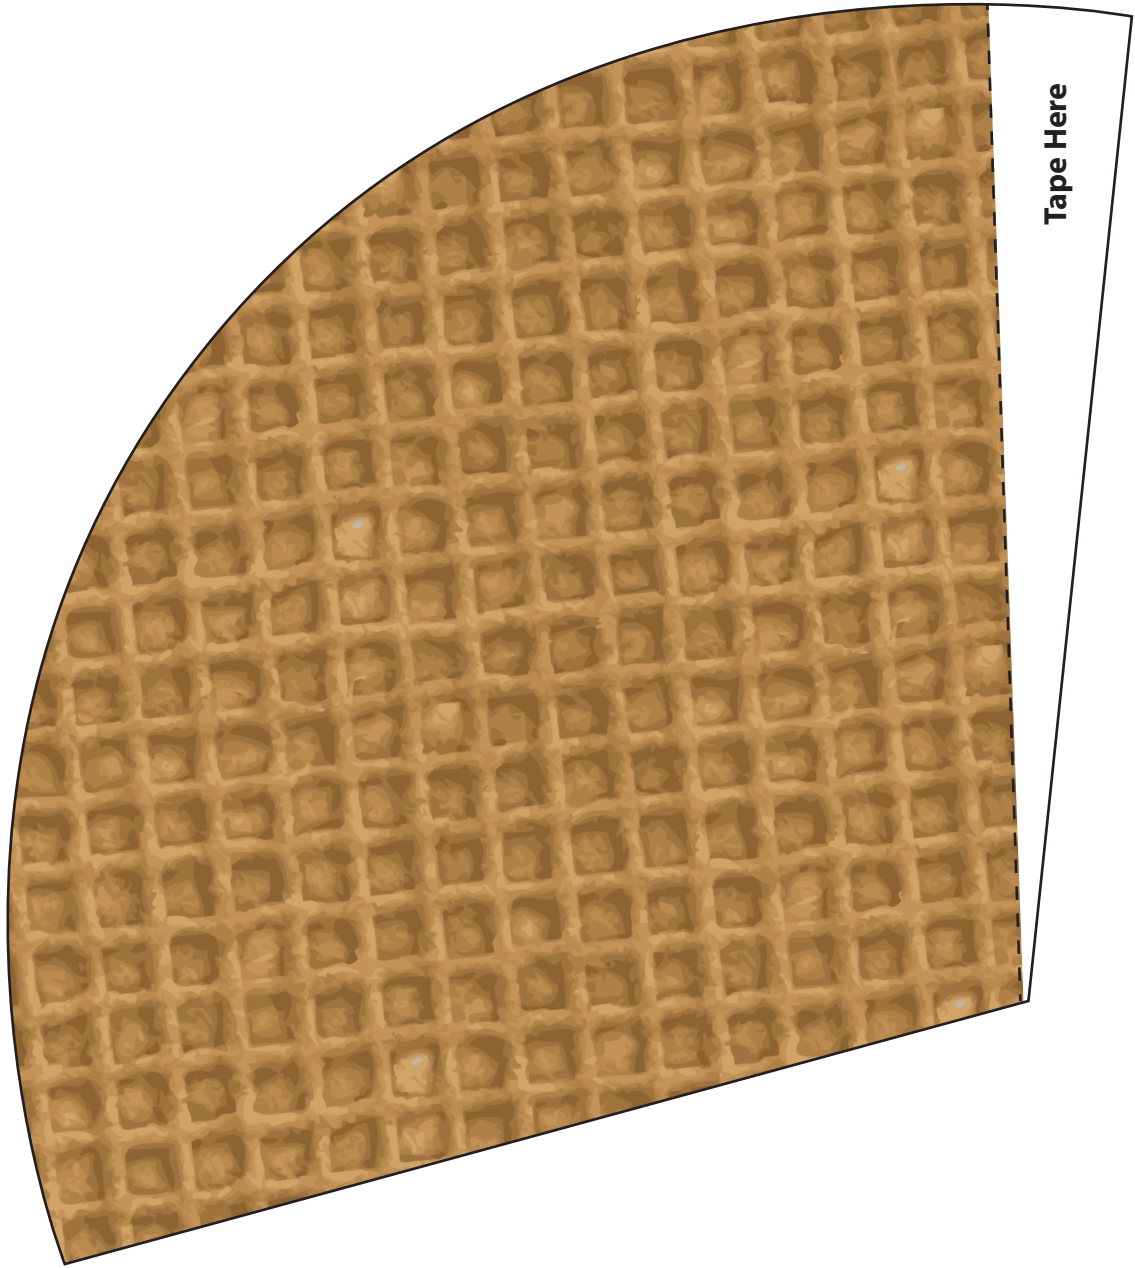

Wrap the brown edge of the cone around to the dotted line and tape the white strip underneath.

4

Fill "waffle cone" with your favourite PLAY-DOH ice cream!

ICE CREAM SERVER HAT

Create your very own server hat to wear while scooping all the delicious flavors of ice cream!

Get Started

1. Follow the steps to make an Ice Cream Server Hat.
2. Print the Ice Cream Server Hat template and paste onto cardboard for best results.
3. Wear your Server Hat and start taking your customer's orders!

1

Using a colour printer, print all three pattern sheets onto 8.5"x11" paper.

2

Cut off border on all three pieces and along solid red line.

3

Fold all three pieces in half on the dotted line.

4

Slide the folded yellow piece into the folded outer pieces.

5

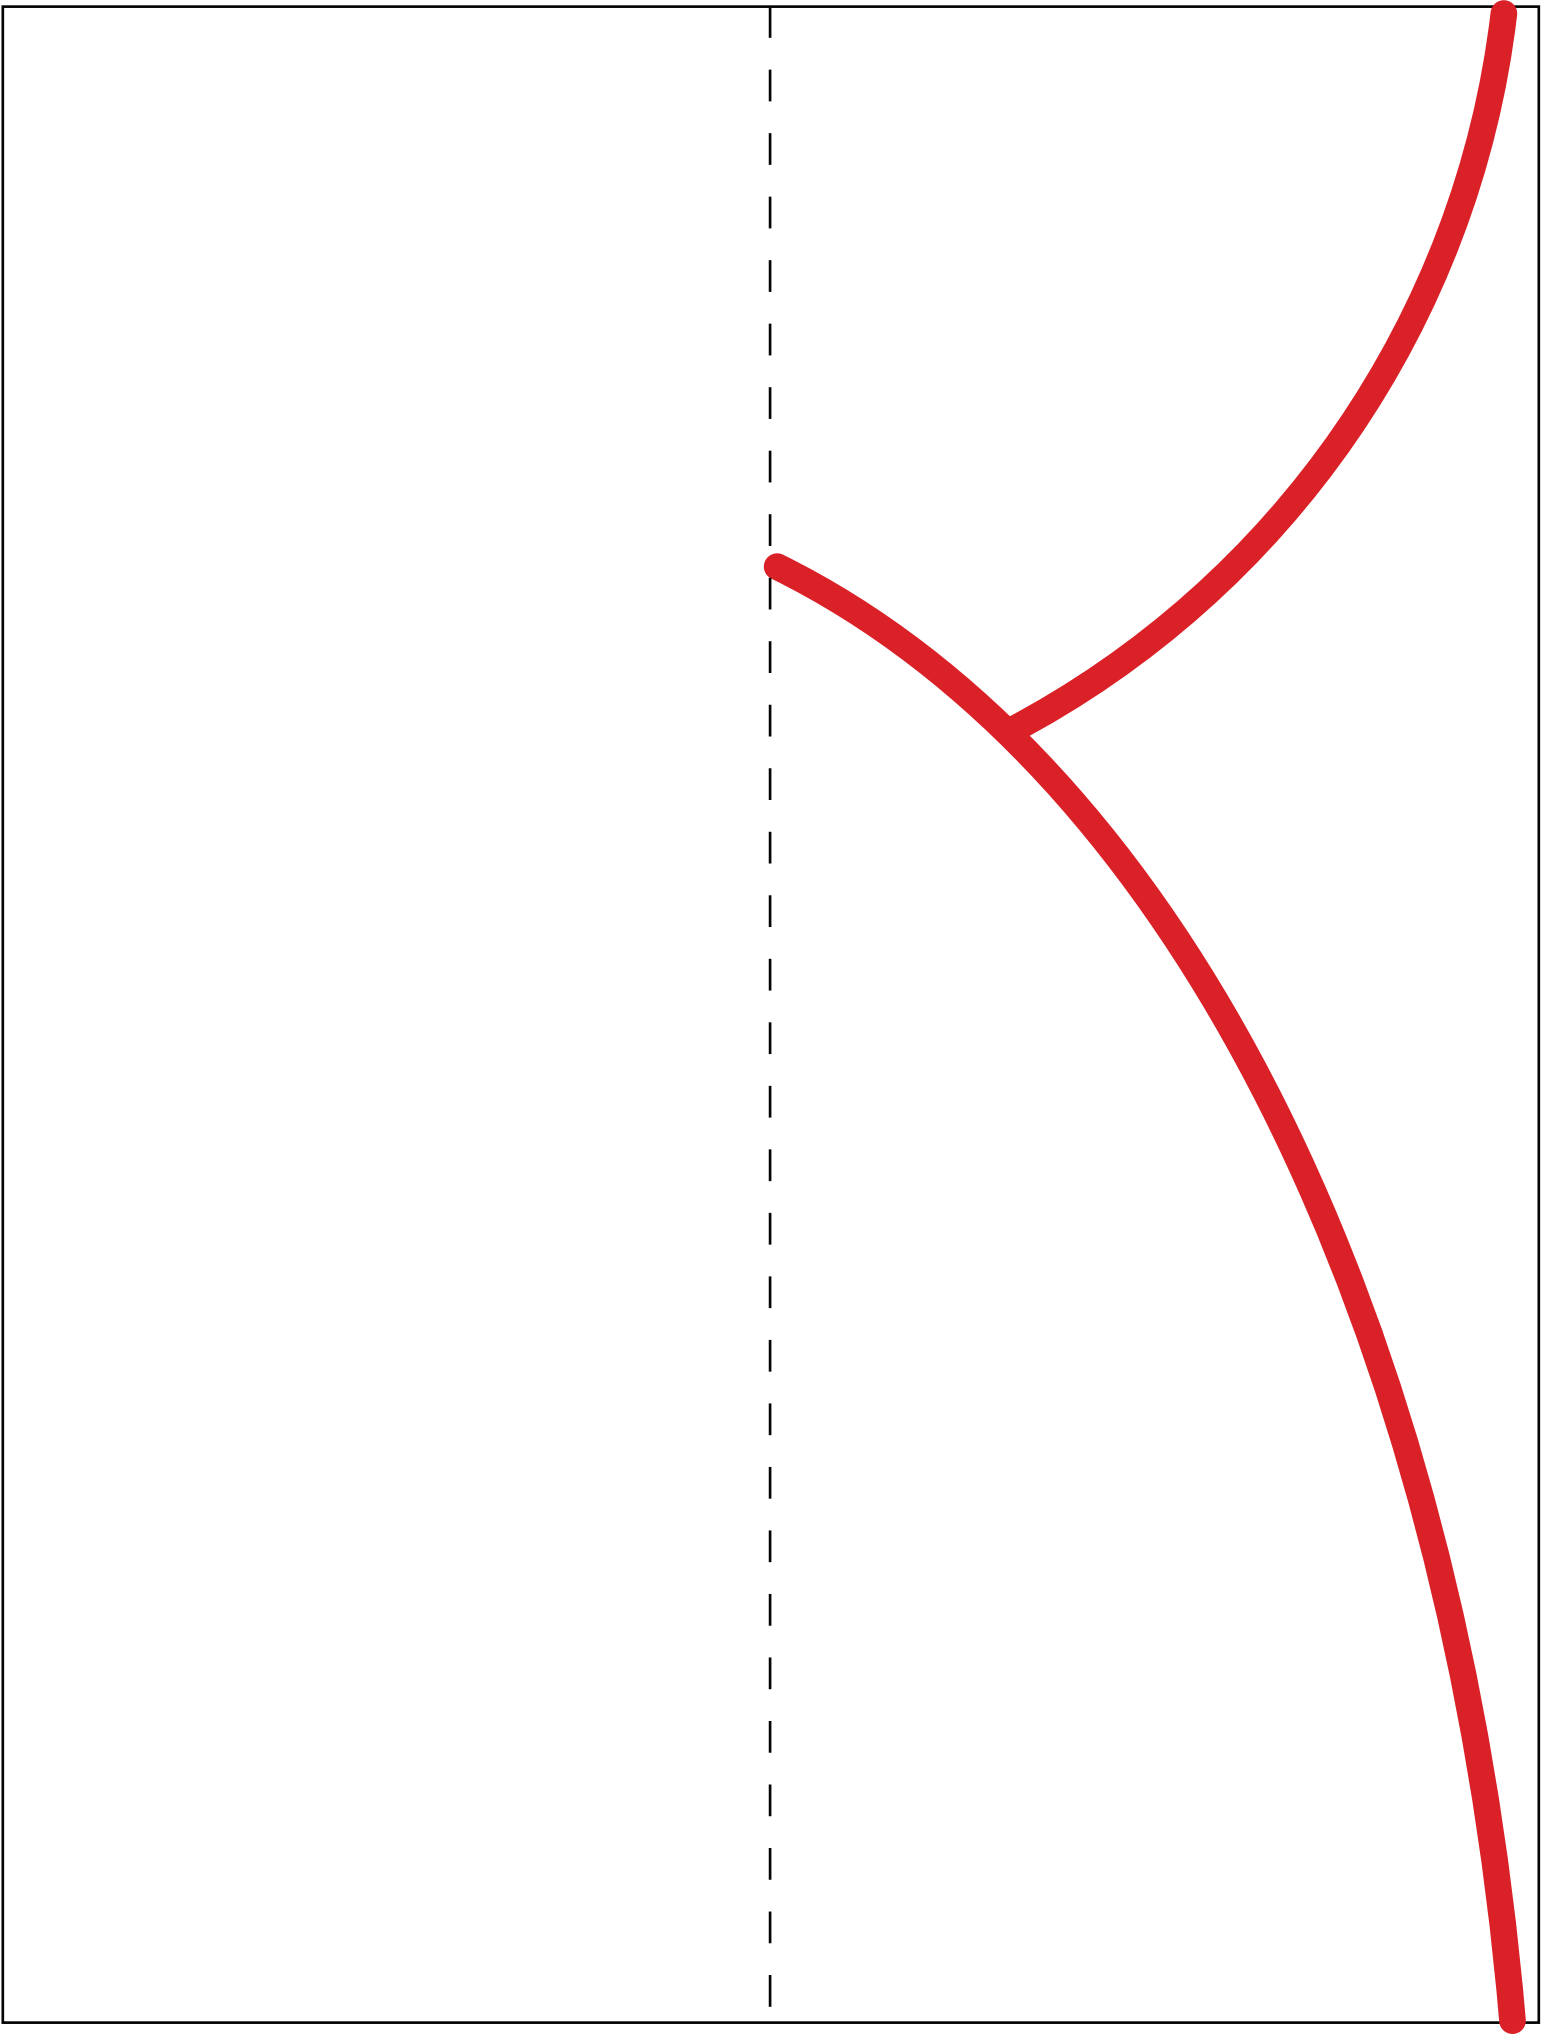

Apply tape to the outer edges only.

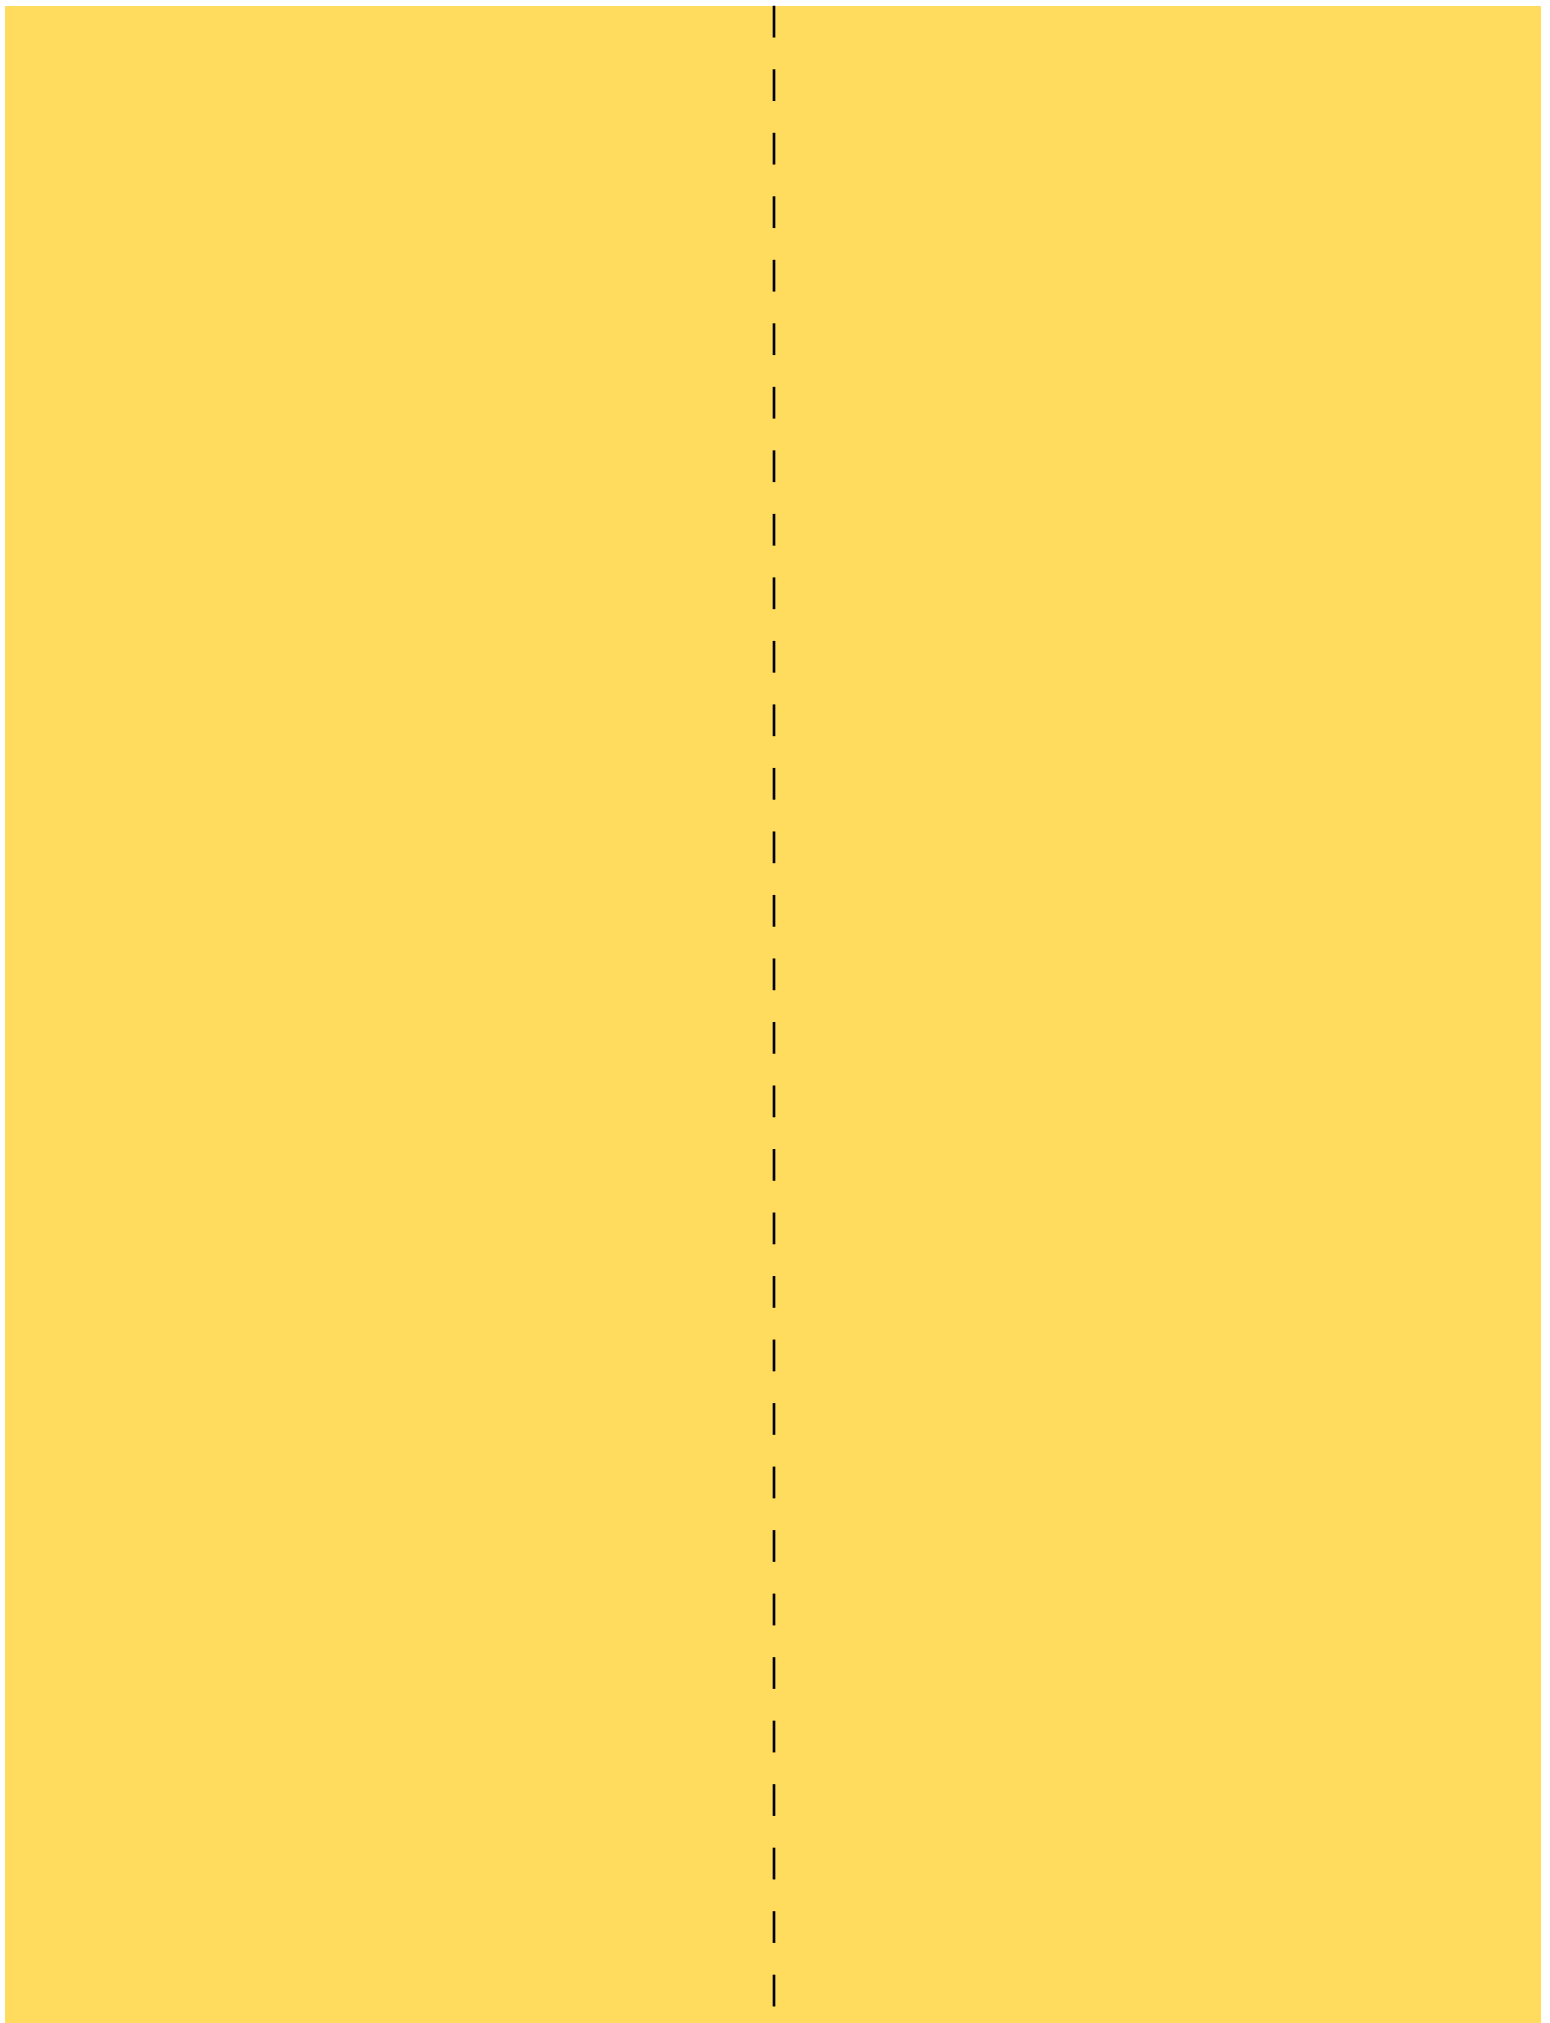

6

Fold on the dotted line and tape edges to complete your Server Hat!

ICE CREAM SERVER NAME TAG

Your Ice Cream Server uniform isn't complete without a Server Name Tag! Complete this activity to make a custom name tag.

Get Started

1. Follow the steps to make a Server Name Tag.
2. Stick the tag onto your shirt & start taking ice cream orders!

1

Using a colour printer, print the Name Tag pattern sheet onto 8.5"x11" paper.

2

Cut out Name Tag along the solid lines.

3

Write your name or a silly name on the name tag.

4

Apply a piece of tape to the top edge and attach it to your shirt.

ICE CREAM ORDERING PAD

Your customers are lining up around the block! You'll need to complete this Ordering Pad activity to take down everyone's orders.

Get Started

1. Follow the steps to make your very own Ordering Pad.
2. Print the Ordering Pad template and paste onto cardboard to make it more sturdy.
3. Use your Ordering Pad to note your customer's ice cream order
4. Grab your favourite PLAY-DOH colours.
5. Start by making your ice cream scoop. Don't forget to add the toppings!

1

Using a colour printer, print both Server's Order Pad patterns onto 8.5"x11" sheets of paper.

2

Glue or tape the two sheets together, back to back. Ensure glue is dry.

3

Cut along solid red vertical lines, ensuring not to cut through to the center.

4

Fold right half back and behind the left side.

5

Fold top half back and behind bottom half. You're now ready to take your PLAY-DOH Ice Cream order.
