## Popsicle Stick Monster

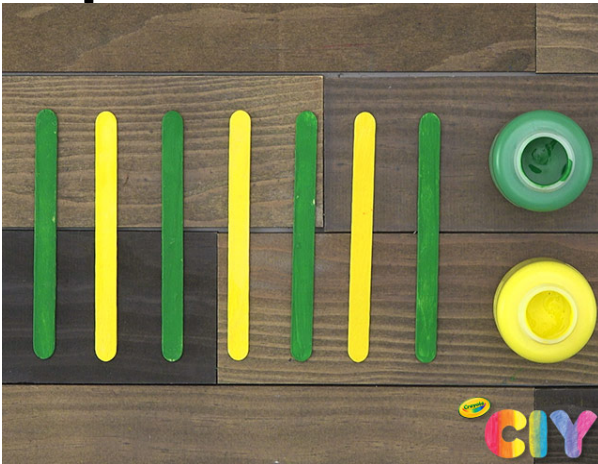

A scary good craft at home! Make a monster popsicle stick craft with Crayola supplies and items you already have on hand.

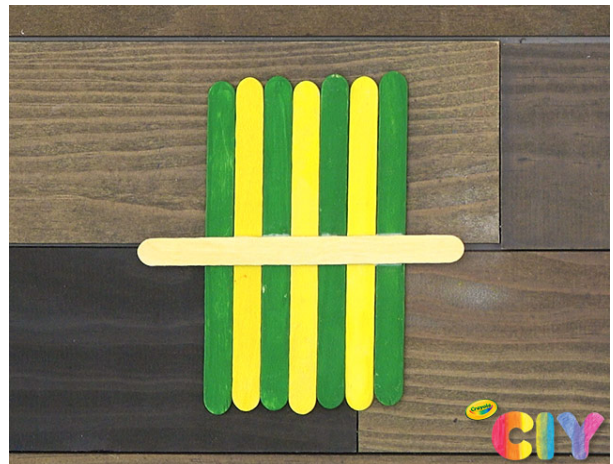

### Supplies:

- Crayola Washable Paint
- Crayola No-Run School Glue
- Pencil
- Crayola Take Note Permanent Markers
- Popsicle Sticks
- Crayola Paint Brush
- Crayola Construction Paper
- Crayola Scissors
- Crayola Bright Pop! Cardstock
- Wiggle Eyes

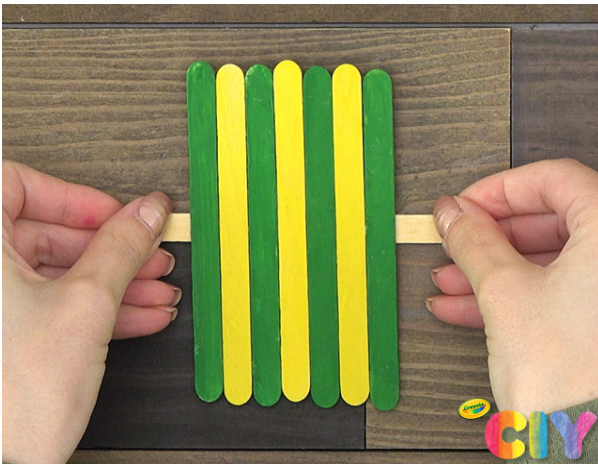

## Steps:

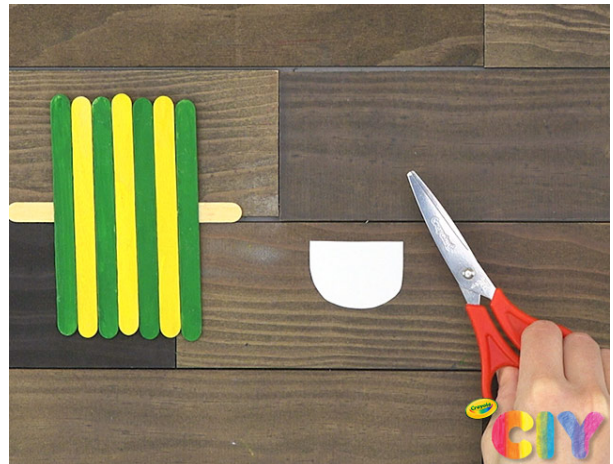

**1** Cover 5–7 popsicle sticks with paint. Dry 1–2 hours. Add second coat. Dry 1–2 hours.

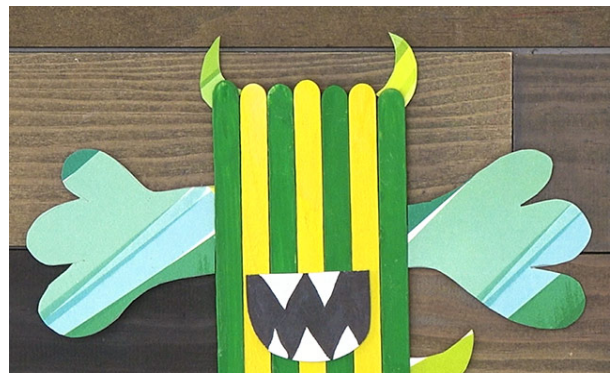

**2** Line up painted popsicle sticks side by side. Glue unpainted popsicle stick across the middle to hold sticks together and create base for monster arms.

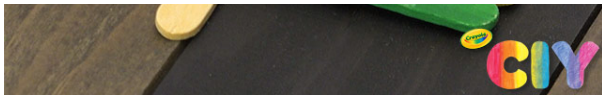

**3** Let glue dry 15–30 minutes, then flip sticks over.

**4** Sketch and cut out construction paper mouth.

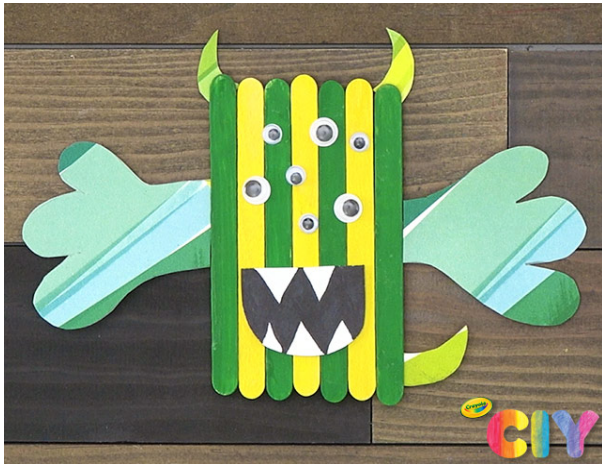

**5 Draw teeth in mouth with markers. Glue to popsicle sticks.**

**6 Sketch and cut out cardstock body parts such as arms, horns, and tail. Glue to popsicle sticks.**

**7 Glue wiggle eyes to popsicle sticks. Let all glue steps dry 1–2 hours.**

**8 Create more creatures for a monster mash!**

## CIY Staff Tips:

- If you don't have a popsicle sticks at home, substitute a craft sticks instead.
- Experiment with other supplies like chenille stems and cotton swabs to make a frighteningly good family of monsters!
