

DECK OUT YOUR DINO

Use your imagination and give your plastic dino figure or any plastic toys you have at home a new set of features and accessories! Layer on glitter, yarn, trinkets and other household items to give your toys a unique, one of a kind look.

Get Started

- 1 Grab a plastic toy figure that's in need of a make over.
- 2 Gather your favorite PLAY-DOH colours.
- 3 Think about fun features and accessories that would look great on your toy figure.
- 4 Collect household items that would go well with your toy's new look.
- 5 Start molding, sculpting and bringing your imagination to life!

1

What is your dino's name?

2

How old is your dino?

3

What does your dino like to do for fun?

4

What interesting items did you find to decorate your dino?

5

Dino needs a friend. Can you sculpt them and give them a name?

MORE IDEAS

Is your toy headed for outer space, the jungle, under the sea?

Mold more accessories so they can take and use in each of their adventures.

What kinds of characters and objects will they encounter along the way?

Sculpt more figures to tell a story!
