

# PIZZA MENU

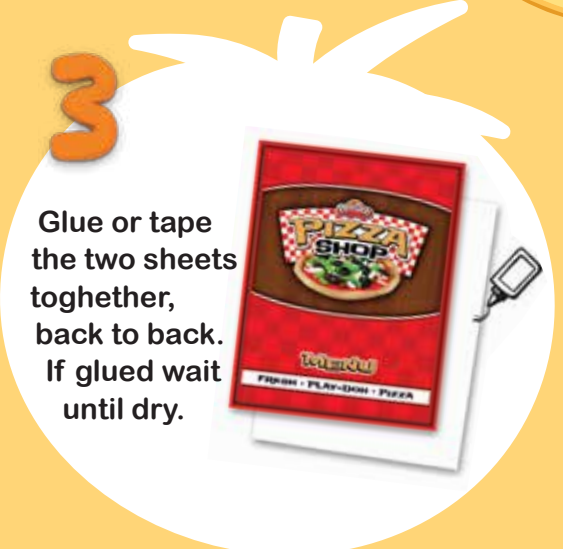

Your pizza parlor is packed with customers! You'll need to complete this Menu activity to take down everyone's orders.

Using a colour printer, print both menu patterns onto 8.5"x11" sheets of paper.

Cut out the two menu pages.

Glue or tape the two sheets together, back to back. If glued wait until dry.

Start taking "pizza" orders!

## Get Started

1. Follow the steps to make your very own Menu.
2. Print the Pizza Menu template and paste onto cardboard to make it more sturdy.
3. Use your Pizza Menu to note your customer's pizza order.
4. Grab your favourite PLAY-DOH colours.
5. Start by making your pizza dough, then cover with your customer's favourite toppings.

Fun to play with, not to eat.

# PIZZA OPEN SIGN

Tell your customers you're open for business with this Pizza Open Sign activity!

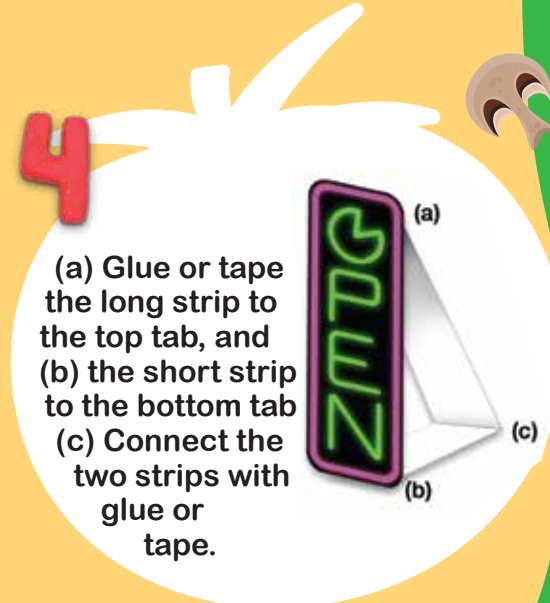

Using a colour printer, print the open sign onto 8.5"x11" paper.

Cut out the sign and two support pieces.

Fold back the white tabs.

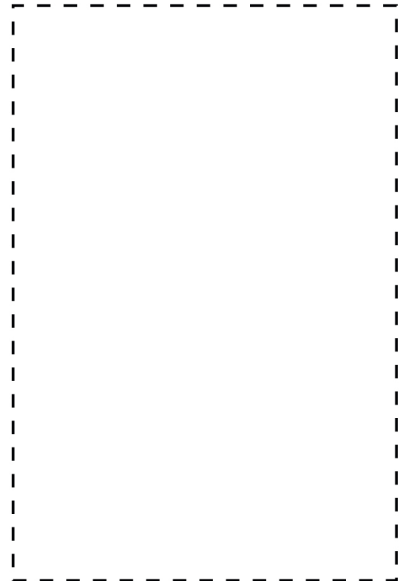

(a) Glue or tape the long strip to the top tab, and (b) the short strip to the bottom tab (c) Connect the two strips with glue or tape.

## Get Started

1. Follow the steps to make your very own OPEN sign.

2. Print the Open Sign template and paste onto cardboard to make it more sturdy.

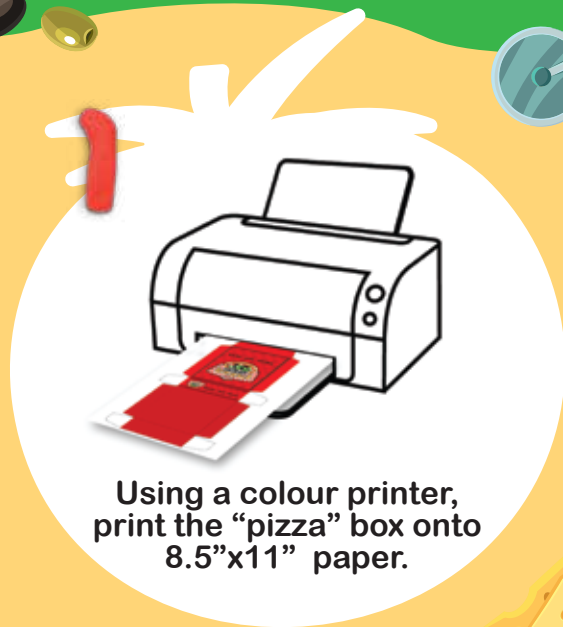

3. Put the Open Sign in a busy area of the home and invite your customers in for a bite!

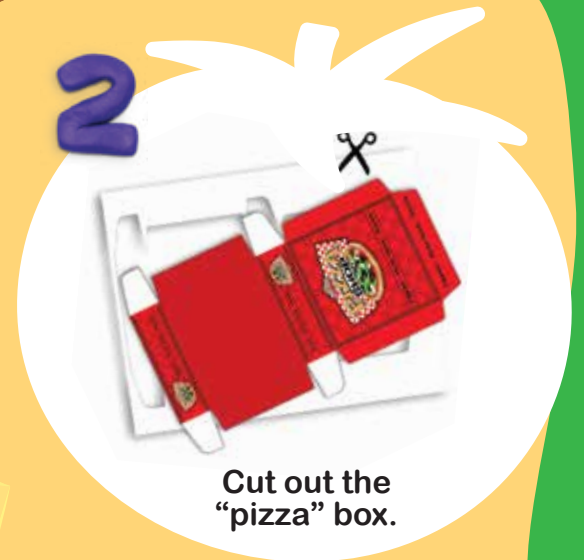

# PIZZA BOX

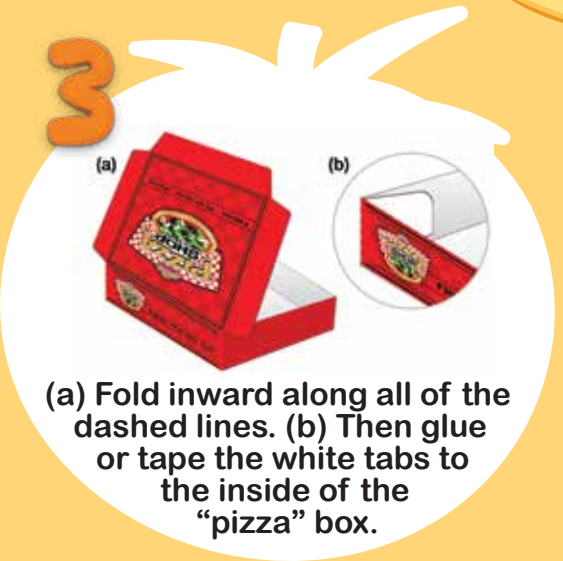

Want to run your very own PLAY-DOH pizza parlor? Now you can with this fun Pizza Box activity!

Using a colour printer, print the "pizza" box onto 8.5"x11" paper.

Cut out the "pizza" box.

(a) Fold inward along all of the dashed lines. (b) Then glue or tape the white tabs to the inside of the "pizza" box.

Serve up some "pizza"!

## Get Started

1. Follow the steps to make your very own Pizza Box.
2. Grab your favourite PLAY-DOH colours.
3. Start by making your pizza dough, then cover it by making your favourite toppings.
4. Serve your "pizza" in your pizza box.

# PIZZA PEEL

Imagine serving homemade pizza to your favorite customers with this cool Pizza Peel!

Using a colour printer, print the peel onto 8.5"x11" paper.

Cut out the peel along the outside.

Fold along the dashed line and secure with tape or glue.

Go create and peel some "pizza"!

## Get Started

1. Follow the steps to make your very own Pizza Peel.
2. Grab your favourite PLAY-DOH colours.
3. Start by making your pizza dough, then cover it by making your favourite toppings.
4. Print the Pizza Peel template and paste onto cardboard to make it more sturdy.
5. Use your Pizza Peel to transfer your freshly made pizza from your imaginary oven to your plate.
