

Upcycled Plastic Bottle Art

Upcycled Plastic Bottle Art

Smart garden art! Create easy recycled plastic bottle art & hang by your garden as a DIY yard decoration.

Supplies:

- Crayola Take Note Permanent Markers
- Upcycled Plastic Bottle
- Crayola Scissors
- Twine

Steps:

1 Color upcycled plastic bottle with markers.

2 With the help of an adult, cut bottom off bottle.

3 Starting at bottom opening, cut upwards in a spiral pattern until approximately 1" from neck of bottle.

4 Cut long piece of twine. Wrap around neck of bottle and tie in a knot.

5 Hang on a tree or your porch for a colorful piece of outdoor art!

DIY Staff Tips:

- **This product requires cutting plastic, which may result in sharp edges. Adult assistance required.**
